**Treasurers Report:** None

**Discuss December 16<sup>th</sup> Meeting** – Carol Dawes thought we should talk about the fact that the Bar Association is Lobbying for there to be an across the state Policy for all clerks when it comes to recording. Sara Haskins thought we should look into the new way the state will be

having clerks grant liquor licenses. Mark Schilling thought we should wait until we are closer to the date to decide.

**Set 2022 Schedule for meetings:** This was tabled until the December meeting.

**Other Business:** There was discussion about the apportionment.

**Program: Invest EAP-Supervisors Training**

Keere Paterson and Janice Leonard walked us through the EAP Website and informed us of all the programs they have available for the employees and elected officials. A lot of towns are not using the services that they provide. This is a part of your insurance and during this stressful time we as supervisors should be reaching out to our employees to let them know what is out there for help. Maybe ask the Selectboard to invite EAP to meeting to explain what they do. They will be putting out webinars for people to see. Everyone should check out the website.

Carol Dawes made the motion to adjourn. Patti Lewis seconded the motion.

Meeting adjourned at 5:45 pm.

Respectfully submitted

Belinda Harris Clegg, Secretary
